Purpose. The purpose of this industry circular is to call attention to a typographical error in the March 1957 revision of Form 1598. The error is in instruction number 7 printed on the form, where a reference to Section I is erroneously printed as Section V.

Correction. Instruction number 7 on Form 1598 should read as follows:

"7. Redistillation. A summary, in proof gallons, of each kind of distilled spirits used for redistillation will be reported in Section I."
